Re: Pinsky v. JP Morgan Chase & Co.
07 Civ. 3328 (CM)

Dear Judge McMahon:

Our request for an extension of time to oppose defendant's summary judgment motion was to be through June 18 – not Sunday, June 8. The mistake was ours; we apologize for the typographical error. We request that you reset the opposition date to June 18, 2008.

Respectfully submitted,

Arthur Z. Schwartz
